

Terra Damia Calabria Rosso IGT Odoardi

The "Terra Damia" of the Cantina Odoardi is a structured and intense red wine produced with a blend of indigenous Gaglioppo, Magliocco, Greco Nero and Nerello Cappuccio grapes. It has a dense ruby color and a vinous bouquet with pleasant fruity notes of ripe plum, berries and spicy notes of coffee and vanilla. On the palate it is full, warm and with good structure. Soft tannins prepare us for a long finish. Matures 12 months in barriques

Gambero Rosso

2012
