2015 HARVEST OVERVIEW

Lightning struck twice in Oregon's burgeoning wine region with the 2015 growing season matching the near perfect 2014 vintage with beautiful fruit and bountiful yields. Bud break in March led to full bloom by the end of May and the region saw nearly ideal weather conditions through late summer with very little rain. The fruit hung on the vines longer than usual and enjoyed a return to more typically cool September nights, which allowed clusters to reach full ripening potential with a beautiful balance of high sugar and acidity that gives great concentration to the wine. Harvest was both early and smooth, for the second year in a row. Wines produced in this vintage exhibit exceptional texture, balance, and intensity.

SWEET CHEEKS WINERY & VINEYARD

Our passion is to create wines that reflect the beauty surrounding us in the Southern Willamette Valley. We believe in producing exceptional wines through gentle processing. Each vintage is unique and we invite you to experience it.
